FIRST NATIONS INFRASTRUCTURE INVESTMENT PLAN ANNUAL REPORT

***Privacy* Statement**

This statement explains the purposes for the collection and use of personal information. Only information needed to respond to program requirements will be requested. Collection and use of personal information are in accordance with the *Privacy Act* (https://laws-lois.justice.gc.ca/eng/acts/P-21/index.html). In some cases, information may be disclosed without your consent pursuant to subsection 8(2) of the *Privacy Act*. We will use your personal information in order to respond to your requests and/or to obtain further information for the purpose of supplying public services in capital facilities and maintenance. The collection and use of your personal information are provided to Indigenous Services Canada for the Capital Facilities and Maintenance Program and authorized by program specific legislation, and required for your participation. The information collected is described by program specific Personal Information Banks (PIBs) detailed at Info Source (https://www.sac-isc.gc.ca/eng/1353081939455). For further details about applicable legislative authority, PIB description and/or to notify us about incorrect information or to withdraw participation after submitting your information, contact your Regional Office (https://www.sac-isc.gc.ca/eng/1100100016936/1534342668402). If you require clarification about this statement, contact the departmental Public Enquiries Contact Centre at 1-800-567-9604. For more information on privacy issues and the *Privacy Act* in general, you may consult the Privacy Commissioner at 1-800-282-1376.

Validation of Projects and Funding Request

Validation of Projects	Recipient	ICMS Project Number	Recipient Project Number	Recipient Priority	Project Name	Project Description/ Comments	Funding Stream	Project Category	Total Estimated Cost	Total Other Funding Sources	Total Funding Request 2023-2024	Total Funding Request 2024-2025	Total Funding Request 2025-2026	Total Funding Request 2026-2027	Total Funding Request 2027-2028	Total Funding Request Years 5+

EXAMPLE ONLY

Proposed Indigenous Services Canada (ISC) Funding

The following table represents the current Proposed Funding for your existing projects as listed in the Regional First Nation Infrastructure Investment Plan at the time of the export. These are merely **planned** amounts, and are subject to change based on changing regional priorities and available funding. These values do not represent any commitments or guarantee of funding. These values are merely presented for your information and to help you develop your funding request to ISC.
(For reference only)

Integrated Capital Management System Project Number	Project Name	Project Description/Comments	Funding Stream	National Priority Ranking Framework Priority Ranking	Total Estimated Cost	Proposed ISC Funding 2023-2024	Proposed ISC Funding 2024-2025	Proposed ISC Funding 2025-2026	Proposed ISC Funding 2026-2027	Proposed ISC Funding 2027-2028

REFERENCE ONLY

Priority Asset Condition Reporting System Deficiencies

The following table provides the current health and safety deficiencies for your ISC-funded infrastructure assets, as per the latest Asset Condition Reporting System inspection information available at the time of the export. These deficiencies are presented for your information and action, to support you in addressing priority asset deficiencies while developing your annual work plans and preparing funding requests to ISC. They represent a subset of the total Asset Condition Reporting System deficiencies associated with your infrastructure assets. All Asset Condition Reporting System deficiencies should be addressed in a timely manner. For the complete list of Asset Condition Reporting System deficiencies, please refer to your latest Asset Condition Reporting System Projects Annual Report (DCI 460649). For more information on how to use this Excel worksheet in the preparation of your First Nation Infrastructure Investment Plan Funding Requests, please refer to the Instructions.

Note: Some of the Asset Condition Reporting System asset condition deficiencies listed in the table below may belong to a water or wastewater system. Please note that those **are not** Annual Performance Inspection (API) results. (For reference only)
