

What is the **COVID-19 virus?**

COVID-19 is like a bug that we cannot see, touch or smell! Have you ever been sick with a cold or a flu where you sometimes get a cough or a fever? Well, COVID-19 is kind of like that because it carries these germs that can make you sick if you catch this invisible bug. Most people who catch this bug can stay home, rest and get all better. We know that the COVID-19 bug has been affecting many people around the world and has affected your life in many ways. It has changed how we visit our families, how we play with our friends and family and even how we learn at school.

Catalogue: R122-6/2021E-PDF | ISBN: 978-0-660-39192-2

Draw an image of the COVID-19 bug.

Chat with your teacher and family: What have you heard about COVID-19?

How can you prevent COVID-19?

The best way to prevent and slow down the spread of the COVID-19 bug is to become a **Bug Buster Hero!** Remember, germs like to travel from person to person and that's how people get sick!

Draw a line to match a word with an image.

You can be a **Bug Buster Hero** by doing these 4 things:

wearing your mask when playing inside

keeping a distance of a pool noodle between:

- yourself and your friends
- yourself and strangers

catching your cough or sneeze in your elbow

washing and sanitizing your hands often.

Draw your own Bug Hero Mask.

Being a **Bug Buster Hero** helps your family, friends and your community to not catch the COVID-19 bug!

Chat with your teacher and family: What does it mean to you to be a **Bug Buster Hero**?

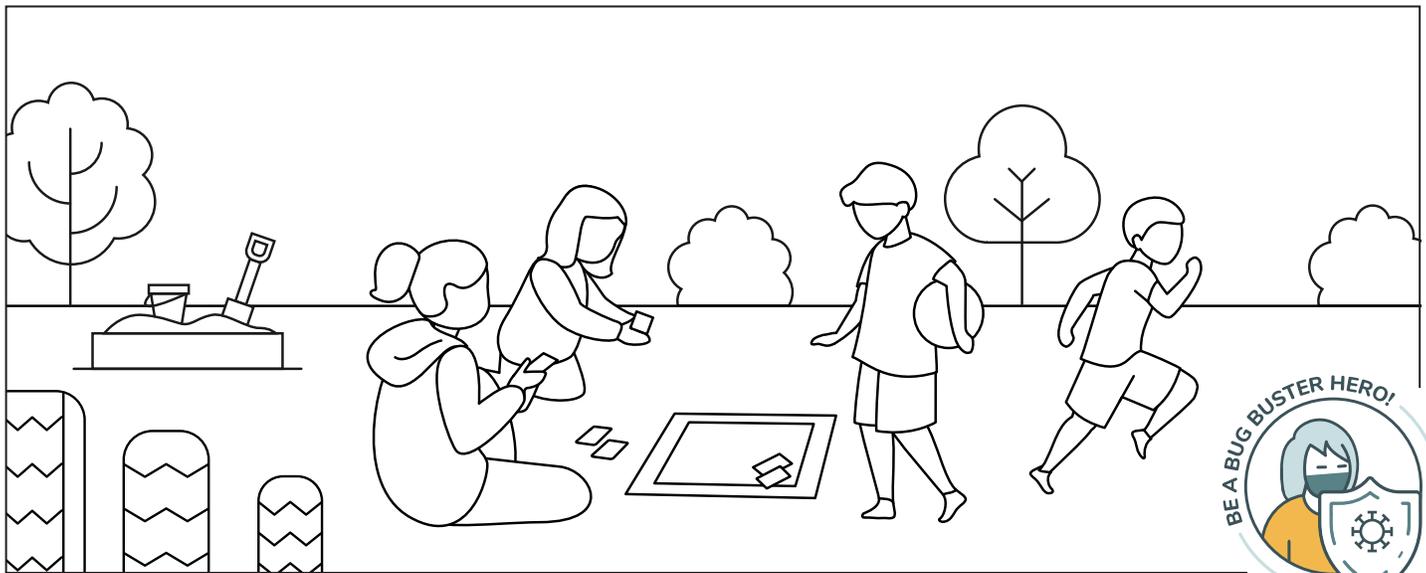

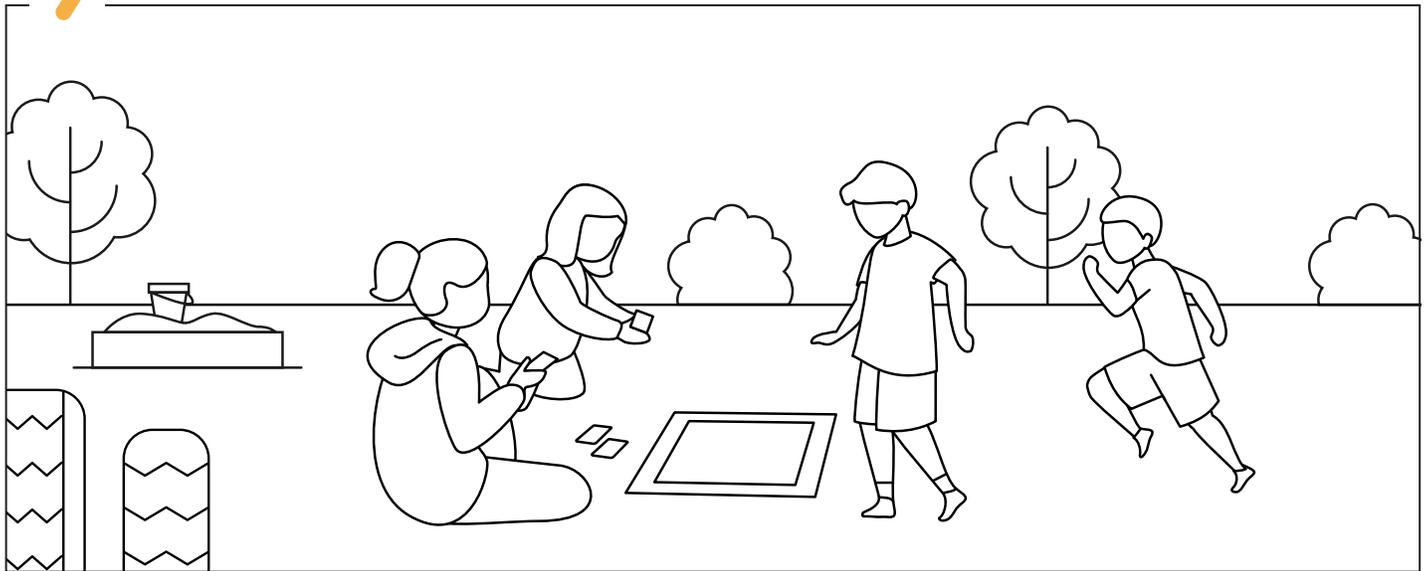

What can you do to keep your family and community safe?

Remember to be a **Bug Buster Hero**! This means you play a very important role in keeping your family and community members safe. By protecting yourself from catching the COVID-19 bug, you can stop the spread of the bug to your family, friends and community members. We know that community gatherings and family events have been different this past year because we can't have fun in big groups. We know that this can be hard and lonely at times, but being a **Bug Buster Hero** will help all of us to be safe so that we can enjoy family and community gatherings again.

Chat with your teacher and family: What will you do as a **Bug Buster Hero** to keep your family and community safe?

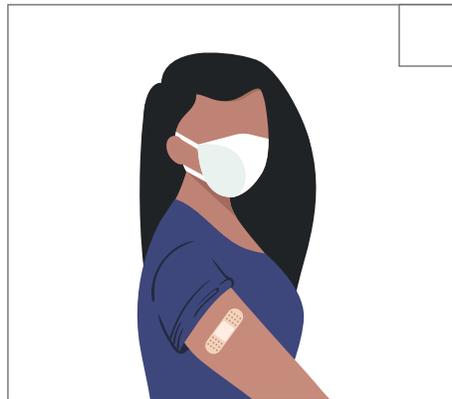

What are the COVID-19 Vaccines?

Doctors and nurses are working hard to make sure you and your family get the new COVID-19 vaccines to help stop the COVID-19 bug. These vaccines help your body build the power to help fight off the COVID-19 bug. But how did they get here? Be a **Bug Buster Hero** and find out how the vaccines got to Canada and the important role they play in keeping you, your family and your community safe!

Put the images in the right order:

- 1 Study
- 2 Develop
- 3 Trial and testing
- 4 Approval
- 5 Vaccination

For additional information on COVID-19 and the vaccine, visit:

- ✓ [sac-isc.gc.ca](https://www.sac-isc.gc.ca)
- ✓ [itk.ca](https://www.itk.ca)
- ✓ [canada.ca/en/public-health](https://www.canada.ca/en/public-health)
- ✓ [metisnation.ca](https://www.metisnation.ca)
- ✓ [afn.ca](https://www.afn.ca)

Chat with your teacher and family: Talk about the positive outcomes of the vaccine and how it can help protect your family and community.
