<i>Audit of Grants and Contributions Management Control Framework 2012-2013 (Funding Approaches)</i>			
<b>APPROVAL DATE: 06-20-2013</b>			
PROJECT RECOMMENDATIONS	ACTION PLAN	EXPECTED COMPLETION DATE	PROGRAM RESPONSE
<p>1. The Chief Financial Officer (CFO) should establish a process to better support the work of senior program managers in their development of program management regimes/program MCFs, which should more formally link the recipient and program/project risk to the funding approach selection, fully integrating recipient risk as per the General Assessment, program risk, and the nature and value of funding. All applicable funding approaches should be considered and the applicability of the flexible funding approach should be assessed for both core and non-core programs. The CFO, with the support of senior</p>	<p>The CFO will establish a process to clarify the role of governance and oversight in program management regimes / management control frameworks as it relates to the selection of funding approaches and monitoring. (This will be reflected in the new Case Management Approach currently in development.)</p>	<p>March 2014</p>	<p><b>Status :</b> Request to Close (completed)  <b>Update/Rationale:</b>  <b>As of June 30, 2014</b></p> <p>As part of the review of Directive 101 on Funding Approaches, revisions have been made to clarify the role of governance and oversight in program management regimes / management control frameworks as it relates to the selection of funding approaches and monitoring. An update was provided to the Policy on Transfer Payments DG Working Group on March 26, 2014. The DG Working Group will be the governance to oversee adoption and implementation of the program management regimes / management control frameworks.</p> <p><b>AES: Implemented. The recommendation will be closed. Closed.</b></p>

program/regional managers, should ensure monitoring and transparent reporting to senior management on the consistent application of these program management regimes/MCFs by regions.			
2. The Chief Financial Officer (CFO) should develop a departmental program compliance framework for programs and regions to implement. To support the implementation, the CFO should establish a process to work with each program area, directly linking compliance activities (i.e. nature and frequency) to the funding approach (including block funding) and recipient risk.	The CFO, in the context of the senior management team in charge of improving transparency and accountability, will lead the development of a departmental compliance framework. where eligible. In addition, continued monitoring of regional take-up of this funding approach should be conducted by the CFO, with the support of senior program managers.			
4. The Chief Financial Officer (CFO) should leverage the existing G&C governance structure to establish an oversight mechanism and monitoring program to support programs/regions in implementing the Treasury Board <i>Policy on Transfer Payments</i> relative to funding approaches. The oversight mechanism should ensure that program management regimes exist or are in development for each budget activity (program) associated with G&C funding.
