

MIDWIFERY PROJECT FUNDING – ANNUAL REPORT

DCI Number/Fiscal Year: HC-P130 (2022-2023)

NOTE: This document is a representation of the reporting requirements for DCI HC-P130. It is not a reporting template or a data collection tool. Where applicable, reporting templates, guides and data collection tools that will assist you to complete your reporting requirements will be provided by your Regional Office. Please contact your [ISC-FNIHB Regional Office](#) if you have not received a copy of the documents, if you have questions, or require assistance.

Program Reporting Requirements:

Recipients of Midwifery Project funding must submit the following report within 120 days after March 31st or after the end of the project (whichever occurs first) (use additional page as necessary):

Please list each community being served by the project (use additional rows as necessary):

- _____
- _____
- _____

For questions 1-4, please circle the number that indicates your success over the past year towards each of the criteria for projects, found in the Midwifery Funding Guiding Principles:

1a) We are increasing capacity to offer culturally-safe midwifery-led birthing in or closer to our community.

1 <i>Not addressed</i>	2	3 <i>Somewhat</i>	4	5 <i>Fully Achieved</i>
---------------------------	---	----------------------	---	----------------------------

1b) Please indicate the number of individuals who received services from a midwife in the past year:

1c) Please indicate the number of individuals who received services from a doula in the past year:

1d) Please describe your activities and successes towards this objective:

2a) We are creating a new midwifery practice that is responsive to community needs for prenatal, birth, and postpartum care.

1 <i>Not addressed</i>	2	3 <i>Somewhat</i>	4	5 <i>Fully Achieved</i>
---------------------------	---	----------------------	---	----------------------------

2b) Please describe your activities and successes towards this objective:

3a) We are integrating traditional knowledge and ways of knowing into the care available to childbearing women and families.

1 <i>Not addressed</i>	2	3 <i>Somewhat</i>	4	5 <i>Fully Achieved</i>
---------------------------	---	----------------------	---	----------------------------

3b) Please describe your activities and successes towards this objective:

4a) We are building partnerships that help make these goals possible and will support program sustainability.

1 <i>Not addressed</i>	2	3 <i>Somewhat</i>	4	5 <i>Fully Achieved</i>
---------------------------	---	----------------------	---	----------------------------

4b) Please describe your activities and successes toward this objective:

5) What challenges are you facing in establishing a sustainable midwifery service, and what future needs do you anticipate?

6) Please provide any other information or comments you wish to share.
