

HEALTH LEGISLATION ENGAGEMENT SUMMARY REPORT

DCI Number/Fiscal Year: HC-P138 (2022-2023)

NOTE: This document is a representation of the reporting requirements for DCI HC-P138. It is not a reporting template or a data collection tool. Where applicable, reporting templates, guides and data collection tools that will assist you to complete your reporting requirements will be provided by your Regional Office. Please contact your [ISC-FNIHB Regional Office](#) if you have not received a copy of the documents, if you have questions, or require assistance.

Program Reporting Requirements:

The recipient shall submit to the Minister a completed **Health Legislation Engagement Summary Report**. This will include a summary of information gathered from all engagement sessions to be either conducted or facilitated by the recipient. Also, the recipient is encouraged to include any other documents or materials they wish to provide for health legislation, including feedback from individual engagement sessions.

Please consult your First Nations and Inuit Health Branch representative (national or regional office) for more information.

INFORMATION ON ENGAGEMENT

- a) Name of Recipient (e.g., Nation, Organization, etc.)
- b) Please complete the table below, identifying for each engagement session the date, the location, the number of participants, the purpose and/or objective of the engagement session, and if applicable, the stakeholder groups and/or organizations represented (add additional rows as needed):

Date (DD/MM/YYYY)	Location	# of participants	Stakeholder groups and/or organizations represented	Purpose and/or objective of engagement session

SUMMARY OF ENGAGEMENT

- c) Please provide a summary of the feedback received from engagement sessions (this may include, but is not limited to, key points, themes, issues or trends that emerged). This summary may be provided in a separate document, attached to this report.
