

ANNUAL REPORT FOR BLOCK FUNDING MODEL

DCI number/Fiscal year: HC-P001 (2024-2025)

NOTE: This document is a representation of the reporting requirements for DCI HC-P001. Where applicable, reporting templates, guides and data collection tools that will assist you to complete your reporting requirements will be provided by your regional office. Please contact your [ISC-FNIHB regional office](#) if you have not received a copy of the documents, if you have questions, or require assistance.

Program reporting requirements:

The annual report for block funding model recipients is based on the health plan developed by the recipient, including:

1. A summary of health programs/services and priorities, including mandatory programs;
2. Data on service operations and results as per the health plan and programming;
3. Explanation for any deviations from the health plan and programming; and,
4. For all supplementary funding, a summary of activities, results achieved and an explanation for any deviations from the proposal.

Please consult your regional office for a copy of the ***Guide for preparing the annual report for block funding model*** recipients.

Please note that block recipients are responsible to also report on any DCIs for mandatory programs and services (clinical and client care, home and community care, communicable diseases control and management, NNADAP/NYSAP treatment centers and environmental public health) in addition to this annual report. This will include the following:

- Communicable Disease Control and Management (CDCM) Report (DCI# HC-P146)
- Environmental Public Health Reporting Requirements for Environmental Health Officers (DCI# HC-P036)
- Clinical Client Care Program (DCI# HC-P132)
- First Nations and Inuit Home and Community Care Program (FNIHCCP) Annual Report (DCI# HC-P016)
- Treatment Centre Annual Report (DCI# HC-P008)
