# COVID-19 PUBLIC HEALTH RESPONSE FUND – ANNUAL REPORT

**DCI Number/Fiscal Year:** HC-P143 (2022-2023)

**NOTE:** This document is a representation of the reporting requirements for DCI HC-P143. It is not a reporting template or a data collection tool. Where applicable, reporting templates, guides and data collection tools that will assist you to complete your reporting requirements will be provided by your Regional Office. Please contact your [ISC-FNIHB Regional Office](#) if you have not received a copy of the documents, if you have questions, or require assistance.

**Program Reporting Requirements:**

This report is designed to collect information on COVID-19 response activities undertaken by recipients of COVID-19 Public Health Response funding in fiscal year 2022-23. This information will be used to better understand communities' pandemic-related needs and the effectiveness of response activities. Please complete the questions below.

1. Which types of activities and supports eligible under the Public Health Response Fund did your community undertake to respond to COVID-19 related needs in 2022-23?

   Please check all that apply:
   - ☐ **Vaccination and booster program** roll-out and maintenance
   - ☐ **Administration of vaccines**
   - ☐ **Promoting vaccination** or addressing vaccine hesitancy
   - ☐ **Transportation** to support vaccine roll-out
   - ☐ **Rapid testing** for COVID-19, including distribution and storage of rapid tests and related equipment and supplies
   - ☐ **COVID-19 testing and surveillance programs**, including implementation and maintenance, and necessary equipment and supplies
   - ☐ **Isolation Supports**, including hotel rooms, surge health infrastructure, and other supports for those self-isolating
   - ☐ **Staffing and surge capacity**, including hiring of additional staff, necessary training, and other health human resource activities
   - ☐ **Personal Protective Equipment** (PPE) and other supplies and equipment needed in response to an outbreak
   - ☐ **Decommissioning or disposal of existing surge health infrastructure**

2. What other types of activities and supports did your community undertake to respond to COVID-19 related needs in 2022-23?

   Please check all that apply:
   - ☐ Mental health supports
   - ☐ Tele-health sessions
   - ☐ New surge health infrastructure
   - ☐ Food security outside of isolation
   - ☐ Pandemic planning
   - ☐ Other Transportation (excluding vaccine roll-out)
   - ☐ Other, please specify_____

3. Based on the COVID-19 Public Health Response funding that you received in 2022-23, to what extent did your community **have the funding resources needed** to respond to COVID-19?

   Please check only one of the following:
   ☐   My community had all the COVID-19 resources needed
   ☐   My community had most of the COVID-19 resources needed
   ☐   My community had some of the COVID-19 resources needed
   ☐   My community had none of COVID-19 resources needed

4. Based on your answer to the previous question, **based on the funding received to what extent were you able to respond** to your community's needs related to COVID-19 in 2022-23?

   Please check only one of the following:
   ☐   My community was able to respond to all COVID-19 related needs
   ☐   My community was able to respond to most COVID-19 related needs
   ☐   My community was able to respond to some COVID-19 related needs
   ☐   My community was not able to respond to any COVID-19 related needs

5. During 2022-23, please describe any challenges faced with delivering COVID-19 supports in your community. These could include challenges with accessing resources, procurement, coordinating response efforts, public engagement, etc. (OPTIONAL)

6. During 2022-23, please describe any successes achieved in delivering COVID-19 supports in your community. These could include successes in accessing resources, procurement, coordinating response efforts, public engagement, etc. (OPTIONAL)

7. During 2022-23, how has your community applied any lessons learned from managing the COVID-19 pandemic over the past two years to help support the ongoing pandemic response? (OPTIONAL)

8. Please include any other comments if needed (OPTIONAL)
